About CREATS

CREATS Sdn. Bhd. is a private limited organization in Malaysia, and its Registration No. 202601018509 (1680606-M) is a dynamic international education, internship, training, and cultural exchange organization dedicated to connecting global talent with practical learning experiences in Malaysia

The banner features the CREATS MY logo at the top left, with the tagline 'INTERNATIONAL INTERNSHIP PROGRAM'. Below the logo, the text reads 'EXPLORE. LEARN. GROW IN MALAYSIA.' followed by 'Real Experience. Global Exposure. Lifelong Impact.' Four icons represent 'International Exposure', 'Practical Learning', 'Global Network', and 'Career Growth'. The bottom section includes 'DISCOVER MALAYSIA. Discover Yourself.' and three icons for 'Diverse Culture', 'Breathtaking Nature', and 'Warm Hospitality'. The background is a collage of Malaysian landscapes: a waterfall, a beach, a city skyline, and a bay.

About The Program

The CREATS International Internship Program offers a unique opportunity for students to gain practical international experience through real-world learning, professional development, and cultural exploration in Malaysia. Unlike conventional classroom-based internships, CREATS follows a modern experiential learning approach based on the philosophy:

“Learning is Not Boring – Learning Happens Everywhere.”

Participants will experience a dynamic combination of professional training, outdoor learning, cultural immersion, and team-building activities while exploring the beauty and diversity of Malaysia. Training sessions and leadership activities will be conducted during visits to waterfalls, beaches, hills, historical sites, cultural attractions, shopping districts, and nature destinations, making the learning process interactive, inspiring, and memorable.
